Property Description

Our LiveAlgarve Team presents you with an extraordinary modern Estate with a mind-blowing Sea View in Porto de Mós, [Lagos](#).

Welcome to a luxurious living experience in the West Algarve! This brand-new 3+2 bedroom villa is a masterpiece of contemporary design. Nestled in a prime location, this property offers stunning vistas and easy access to the magnificent Porto de Mós beach.

Key Features:

- 3+2 bedrooms
- 377 sqm gross construction area
- Spectacular sea view
- Big 9m x 4m swimming pool
- Spacious garage for 3-4 cars
- Land plot of 1,217 sqm

Modern Architecture & Design:

This villa spans three floors, seamlessly integrating modern aesthetics and functionality. The ground floor features an elegant entrance hall leading to three bedrooms, each with a private bathroom. One of the bedrooms is thoughtfully designed for accessibility, catering to persons with reduced mobility. A communal bathroom conveniently supports the barbecue area and terrace. The pool, surrounded by a large sun terrace adorned with a waterfall, creates a perfect leisure space.

Captivating Views:

The first floor is dedicated to luxurious living, with a guest bathroom, pantry, and a spacious open-plan, fully equipped kitchen. The south-facing building offers unique ocean and countryside views, making it an ideal spot for relaxation. An additional covered terrace adds to the charm of this level.

Basement Luxury:

Venture to the basement to discover a haven of convenience. Access the swimming pool's machine room easily from the outside or within. The garage accommodates three to four cars, ensuring ample parking space. Additional features include a storage room, a supporting bathroom, and a dedicated space for air conditioning equipment, water, buffer tanks, and interior climate control units. The villa has solar panels on the roof, pre-installation of a home automation system, and underfloor heating for ultimate comfort.

Prime Location:

Situated in a prime area of Lagos, this villa is within walking distance of the Porto de Mós beach, set in a wide-open valley. It is framed by high cliffs at each end, creating a picturesque setting. From the Atalaia Viewpoint to the west, the panorama extends to the coastline up to Sagres.
