## Property Description

Our LiveAlgarve Team welcomes you to a South-facing dream villa in Caliças, [Lagos](#), where luxury meets tranquillity in one of the most sought-after residential areas.

The property nestles in a serene neighbourhood of upscale properties and offers breathtaking Sea Views. The meticulously landscaped tropical garden surrounding the villa creates an oasis of natural beauty, secluded privacy and sophistication.

As you step inside, you'll be greeted by exceptional tiling (handmade Terracotta) throughout the floors and bathrooms, showcasing high-quality craftsmanship. The ceilings adorned with massive wood beams exude warmth and elegance, while a free-hanging fireplace in the living area adds a touch of luxury, perfect for cosy evenings with loved ones.

This luxurious home offers four bedrooms, including a sumptuous main bedroom suite with a jacuzzi, and sinks flawlessly carved of red marble adding a touch of sophistication to your daily routine. Stay comfortable year-round with an A/C for climate control, and enjoy the oversized heated pool (heatpump operated), creating an inviting retreat for relaxation and entertainment.

Parking is made easy with a spacious garage for two cars. The garden walkways are decorated with paving stones, adding charm and character to the outdoor space. The naturally grown Mediterranean flora gives you shade during outdoor stays on the hotter summer days.
